From the desk of Tom Ziglar

Hi Cindy,

I didn't see you on the webcast yesterday where my dad talked about the 4 sales principles that practically guarantee sales success...

So today I'd like to give you a way to download this interview with Zig...

PLUS 9 additional interviews in which Zig tells you how to reach true performance in every area of your life.

Simply download the interviews and listen to them while you're on the go...in what dad likes to call "Automobile University."

During these interviews, Zig reveals the core secrets to relationships, leadership, integrity and more.

Basically he tells you how to get everything you want in life...

Not to mention how he's done it--including how he lost 37 pounds and keeps it off...

His process for being happy, healthy, prosperous and having good family and friends around you...

What you need to do to obtain your professional and financial goals.

And how to set and attain your goals in every area of your life.

Ten topics critical to reaching your true performance.

Amazingly you won't find these topics taught in schools or universities.

In fact, when you join Success 2.0, you'll notice everything Ziglar teaches revolves around things not taught in schools or universities.

Yet they're things essential to your reaching success.

And I'm not just talking about success in business.

No, I'm talking about reaching success in all areas of your life. Physically. Emotionally. Spiritually. Intellectually. Professionally. Financially. And personally.

This **BONUS GIFT** is something I ask you to take very seriously. Zig has helped millions of people dramatically change their lives.

So if you're ready to reach your goals in every area of your life, then I invite you to join our Success 2.0 community now.

When you join by this Friday at midnight, you'll receive a link to download the complete True Performance Audio Series as a bonus.

And as a result you'll be taking the first step towards banishing failure from your life.
